

Commuter Benefits

Mass Transit Plan

Enroll in the Mass Transit Plan and Save

A Mass Transit account allows you to put aside money to pay for eligible transit expenses you purchase to commute to and from work. The funds going into your transit account are tax free, which saves you money on services you already purchase.

Use your Chard Snyder Benefits Card to pay for passes, tokens, fare cards, or vouchers that allow you to use a mass transit system such as the bus, train, subway, ferry or trolley.

You'll never need to file a claim for transit and you'll **save up to 40%** on your commuting costs.

What are Mass Transit Eligible Expenses?

The IRS determines what expenses are eligible for purchase with Mass Transit plan funds. The chart below shows examples of eligible expenses:

Eligible Expenses		
Bus Trolley	Ferry Commuter Train	Subway Van Pools*

Please Note: EZ Passes, tolls, taxis, and car services such as Uber and Lyft are not considered eligible expenses under the Commuter Benefits Mass Transit Plan.

*Van Pools

A van pool requires:

- A vehicle seating six or more adult passengers
- 80% of the van's mileage use must be commuting to and from work
- Passengers occupy at least 50% of the vehicle's seats

Join an existing van pool through your local RideShare organization.

How Do I Access My Mass Transit Funds?

The Chard Snyder Benefits Card provides an easy, convenient way to pay for commuter services at the time of purchase. It works just like a debit card, but utilizes smart technology so it can only be used to pay for expenses that are eligible according to IRS guidelines under the Commuter Benefits plan.

You may only use the amount of money in your Commuter Benefits account at the time you use your benefits card or submit a claim.

If your commuting needs change, your employer's Human Resources department can help you enroll, change, or stop your Commuter Benefits deduction according to your plan rules.
